# FOOD SERVICE MANAGEMENT

**You are interested in the catering world?  
You would like to reach a supervisor or  
a catering establishment managerial  
position? The Food Service Management  
program is for you!**

## DESCRIPTION

In this program, you will learn some basic cooking principles, but you will also learn production, distribution and service operations management of food products. You will be able to manage a catering establishment's human, material and financial resources while meeting efficiency constraints. The course includes two internships within the Work-Study Program as well as a credited internship possibly abroad. Prepare your future career in food service management with Mérici collégial privé! Excellent job placement rate!
